SECT. 12. If a person who has paid such tax afterwards refunds a portion of the property on which it was paid or if it is judicially determined that the whole or any part of such tax ought not to have been paid, said tax, or the due proportion thereof, shall be repaid to him by the executor, administrator or trustee.

Valuation of property.

SECT. 13. Said tax shall be assessed upon the actual value of said property as found by the probate court. Upon the application of the state treasurer or of any party interested in the succession, the probate court shall appoint three disinterested appraisers who, first being sworn, shall appraise such property at its actual market value and shall make return thereof to said court. Account not allowed until tax paid.

SECT. 17. The state treasurer shall commence an action for the recovery of any of said taxes within six months after the same become payable; and also whenever the judge of a probate court certifies to him that the final account of an executor, administrator or trustee has been filed in such court and that the settlement of the estate is delayed because of the non-payment of said tax.
